A message from Chief Executive Officer, Matt Olin.

Dear Valued Guests,

The San Carlos Apache Gaming Enterprise (“SCAGE”), which operates the Apache Gold, Apache Sky, the Golf Course and the Apache Gold Hotel, and the San Carlos Apache Tribe (“Tribe”) take the Coronavirus, known as COVID-19, very seriously. Out of an abundance of caution, we are temporarily closing our Gaming Facilities – the Apache Gold Casino Resort and the Apache Sky Casino.

The closure of the Casinos will be effective today at 5 p.m. through to April 3, 2020, or unless instructed otherwise.

The Cutter Convenience Store will remain open to provide the public with items such as gasoline and groceries with limited hours.

We remain committed to protecting the safety, health and welfare of our Team Members and our Guests. We have taken these preventative measure to do our part in joining healthcare professionals, government directives and guidelines and the public to stop the spread of the COVID-19.

We appreciate and value your loyalty to the San Carlos Apache Gaming Enterprise. We will pray for your safety and good health. And, we look forward to seeing each and every one of you on Reopening Day.
